16 Before the Court is Plaintiff's "Motion for Allowing Additional Information and
17 Evidence ...". ECF No. 21. Within this document, Plaintiff requests production of various

24 **DISCUSSION**

25 Plaintiff is advised that discovery requests are not filed with the Court. Plaintiff must
26 first direct his discovery requests to the parties or third-parties pursuant to the rules of discovery.

1 In the event the discovery requests are not complied with, Plaintiff must confer with opposing
2 counsel in a good faith attempt to resolve the discovery dispute. Finally, if the attempt to confer
3 is unsuccessful, Plaintiff may file a motion to compel, which shall include a certification that he,
4 in good faith, conferred or attempted to confer with the person or party failing to make the
5 discovery in an effort to secure the information or material without court intervention in
6 accordance with Fed. R. Civ. P. 37(a)(2)(B).

7
8 Plaintiff is further advised that all exhibits and attachments must be attached with his
9 complaint and they may not be sent in separately to be “included” in his original complaint at a
10 later time. The Court will not consider these pages as part of Plaintiff’s complaint. However,
11 the documents have been filed under ECF No. 21. Therefore, the request to the clerk to make
12 these documents part of the complaint is **DENIED**.

13 Accordingly, it is **ORDERED**:

14 (1) Plaintiff’s Motions (ECF Nos. 21 and 24) are **DENIED**.

15 (2) The Clerk shall send a copy of this Order to Plaintiff and counsel for Defendants.
